INTERNATIONAL CONFERENCE

MEDINNOV'2005

Marseille, April 13-14th, 2005

Communication's call

Medinnov network :

**Euro Mediterranean Network
of Innovation**

MEDINNOV'2005

Marseille Innovation, Anima-AFII and their partners organise a scientific and technological event (meeting) which the main topic will be the business innovative start-ups in the Mediterranean area (Medinnov'2005).

This conference aim at encouraging meetings between science and technological parks, API, investment agencies, Incubators and starts-up of the Mediterranean Area. The objective is to do a state-of-the-art in this region, to present experience and some concrete applications in order to contribute to the development of the enterprises incubators. One of the targets is to promote the emergence of new innovation and financing orientations.

MAIN TOPICS

Studies about the engineering of technological business start-ups in the Mediterranean Area will be privileged :

1. Mediterranean countries and technological Innovation.
2. Development of R&D and Technological transfer
3. Incubators
4. Science and technological parks
5. FDI and Financing

INSTRUCTIONS FOR AUTHORS

Authors want to present a communication are invited (induced) to write a 2 pages summary (maximum) in A4 format (21x29, 7cm) in 2 originals, which have to be transferred by post mail or e-mail to (hamdi@marseille-innov.org) in Word 6 format.

The first page of the article must contain the title of the communication, the name of the authors, the complete address (telephone, fax, e-mail). The author, who will present the communication, must be underlined. Authors of the accepted articles will receive further instructions for the preparation of final versions.

PROCEEDING PUBLICATIONS

All accepted information (oral or written), will be present in French and will be published in the conference's actions. Please, remind that the official language will be French.
